THE ONLY CIRCUS.

In accordance with the arrangements of League and American Showmen, the only big circus that will visit this section of the state this season is the great Wallace Shows, which will be in Maysville on Monday, September 17. Referring to this show The Daily Telegram of Ashland, Pa., says:

"The best circus that ever visited Ashland. That was the general verdict of the people who attended the Wallace Show yesterday afternoon and evening, and it was an opinion that was deserved. Many of the principal features were entirely new, and the trapeze work and the performance of the Nelson family and scores of other high-class people were first-class in every particular. The hippodrome and racing events were close and exciting and were watched with breathless interest, and some of the finishes brought the audience cheering to their feet."

NIGHT SCHOOL.

One Opened on Sutton Street for the Colored People.

There has been a night school opened on Sutton street by a progressive young colored man for the purpose of giving to his people, both young and old, of this community who have not had an opportunity to attend day school, a chance to gain an education.

This movement is calculated to do much good in this vicinity, and should be encouraged by everyone who desires a higher standard of civilization.

Does It Pay To Buy Cheap?

A cheap remedy for coughs and colds is all right but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes, if possible; if not possible for you, then in either case take the only remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "Roche's German Syrup." It not only soothes and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. For sale by J. C. Pecor.

New Veiling for the Fairer Mrs. L. V. Davis's.

Mrs. L. V. Davis is showing correct styles in Felt Hats for fall.

WANTED.
Damson Plums. J. Y. DEAN,
234 and 206 Sutton street.

The population of Ripley is reported at 2,250, a falling off of about 200 since 1890.

"I am a switchman," writes A. J. Jenness, of 231 Butler, St. Chicago, "and am out in all kinds of weather. I took a cold which settled in my kidneys, and was in very bad shape. I tried several advertised medicines with no benefit until I was recommended to take Foley's Kidney Cure. Two-thirds of a bottle cured me." J. Jas. Wood & Son and Armstrong & Co.

The funeral of the late Mrs. Eliza J. Campbell will take place from her residence on Limestone street this afternoon at 2 o'clock, after which the remains will be interred in the Maysville Cemetery.

Question Answered.
Yes, August Flower still has the largest sale of any medicine in the civilized world. Your mothers and grandmothers never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of Appendicitis, Nervous Prostration or Heart Failure, etc. They used August Flower to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of Green's August Flower, in liquid form, to make you satisfied there is nothing serious the matter with you. For sale by J. C. Pecor.
